

# RESCUE BEATS

## CAPABILITY STATEMENT

AED Compliance | CPR/BLS Certification | Active Violence Response Training

South Florida & Central North Carolina

### COMPANY OVERVIEW

---

Rescue Beats is an AHA-aligned, multi-certified safety training provider serving businesses, government agencies, and healthcare organizations across South Florida and Central North Carolina. We deliver on-site CPR, BLS, AED compliance, and active violence response training — at your facility, on your schedule.

Born from a personal cardiac emergency, Rescue Beats exists because lives depend on people being prepared. Multilingual instruction available in South Florida.
